ARE YOU LOOKING FOR WORK?

We are an international marketing organization and we are expanding in this area. We are looking for **dynamic, hard-working, motivated, smart, professional people** who are open to owning their own business either as a side income or as an alternative to traditional employment. We are part of a parent company that pays out millions of dollars each week in commissions. We provide training, mentorship, and on-going support for **unique individuals** who want more control over their lives and their finances. Although this business is not for everybody, if you are **driven and determined**, you could be among those fortunate to have a shot at making a lot of money plus achieving complete financial freedom.

You can find this letter and a questionnaire at www.rosiebank.com

Complete the form and return it via email to rosie@manifestingvision.com

Along with my business associates, I wish you well in your next career move. If we can assist you in finding a way profit from the opportunity we provide, we would be pleased to show you exactly what it takes.

Sincerely,

Rosie Bank
