The Keys to Thriving as an Entrepreneur: Alternatives to Traditional Employment in the New Economy

by Rosie Bank

THE KEYS TO THRIVING AS AN ENTREPRENEUR -ALTERNATIVES TO TRADITIONAL EMPLOYMENT IN THE NEW ECONOMY \$25

If you or someone you know has been affected by this economy and if you are motivated to find financial solutions, this is the course for you. If you knew how to prosper as a business owner, and if you knew what steps to take to become your own boss, how might your financial future be different? In this course you will learn the essential elements to transition from regular employment to business ownership. How can you create additional income without quitting your job, if you still have one? Rosie will show you how to identify the right industry for you and the various ways you can go into business for yourself. What are the pitfalls? What are the risks? What are the potential rewards? How can you make a flexible business plan that focuses on customers' needs? Why might becoming your own boss be among the most important decisions you ever make?
