What your colleagues say about this book:

"I have been sharing a great book, *YOU, INC.* by Rosie Bank with the leaders in my group. It is an excellent book on our business and can really help your new people. I highly recommend it." Kathy Kaufman, Network Marketing Top Earner

"This is the best book I have read by a USANA associate." Collette Larsen, Ten Star Diamond Director (bought 50 copies)

"I recommend that everyone in USANA read this book. I am a HUGE FAN!" Jordan Kemper, Emerald Director (bought 100 copies)

"Finally a book that lights up this amazing industry of Network Marketing with the professionalism and truth telling that it really deserves. Rosie Bank is a brilliant writer and crafts language in a way that allows us to taste, feel, hear and know that this industry is worthy of the best of us! For everyone thinking about dipping your toes into NWM, this book is a must read. For those of us who have been around the block more than a few times, this book is for us. If you haven't seen the results you would like to in your business, you will find this book illuminating and for anyone who has the privilege of training others in this great game of NWM, this book is invaluable. Rosie, THANK YOU, for your passion for this business and for capturing in words what makes it MAGIC!" Karen Shumka, Diamond Director
